## FAQs

**What are my transport/parking options for getting to and from the event?**

We will organise transportation alternatives for our guests closer to the event. This will be charged extra and will be payable at the event, but we hope to keep the costs to a minimum.

## 303 Note

Once we have everyone's flight details - we will organise transportation to and from the venue and airport. There will be an additional cost for this, but by using economy of scale we hope to keep this to a minimum.

For those wanting an extended stay in Hungary - we have preferential rates available at various hotels in Budapest to suit differing budgets and tastes - just ask the secretary at the time of booking and he will be pleased to assist."

Anything you want! We will provide all food (vegetarian and vegan options for those who let us know), wine and beer. You may wish to bring spirits (Single Malt, Blended Whiskey, Gin, Brandy, Rum etc.) as these are to individual taste and not included in the price.
